Mastery Grids

Select the group to compare with: all class, top 3 students

Select which type of resource progress is displayed in the grids (Quizzes, Examples and Animated Examples). "All" displays resources in different rows. "OVERALL" shows only one row with the average across resources.

✓ Class Average
Top 3

All

✓ OVERALL

Animated Examples

Help explains the colors (darker means more progress)

Group Class Average | **Resource** OVERALL

Me and group

OVERALL · Variables · Primitive Data Types · Constants · Arithmetic Operations · Strings · Boolean Expressions · If-Else · Switch · Loops For · Loops While · Loops Do-While · Nested Loops · Objects · Classes · Arrays · Two-dimensional Arrays · ArrayList · Inheritance · Interfaces

Me

Me vs group

Group

The group (class average or top 3) progress is shown in blue colors

Click in a topic sell to display the activities inside (quizzes, examples, etc.)

close

Quizzes

Examples

Animated Examples

The quiz is displayed (second quiz on topic "Variables") after clicking in the cell

The red star mark recommended topics and activities. The bigger the star, the stronger the recommendation

Load the rest of learners

Loads the list of other students (does not show usernames) and shows in which position you are in terms of progress

Students in the class (you are 2nd out of 18)

2. Me ->

Topic: Variables · Activity: int Variable 1

Tester Class

```
public class Tester{
    public static void main(String[] args) {

        int result = 8;
        result = 8 + 2;

    }
}
```

What is the final value of **result**?
